Key Discriminators

We are different because...

- 100% Australian, family and veteran owned founded in 2007 - truly Sovereign
- We make complex simple - we make it about you, not about us or anyone else
- All staff are trained and certified in Lean Six Sigma to varying grades (belts)
- Services above and below the line - we know the system from both perspectives
- Complimentary products and services offered between three business units
- Defence Industry Security Program (DISP) Accredited
